## Artists create..... Patrons support!

Patron involvement is one of the most important factors in assuring that our highly rated festival continues to attract top quality artists.

**What Festival Patrons Do:** A festival patron is someone who has donated \$350 (or more) to the Fall Festival of the Arts. Whatever the donation amount, it comes back to the patron in the form of Purchase Vouchers good for the purchase of artwork at the Festival, less \$100 that is retained by the Festival for operational support. So, your donation provides a guarantee to exhibiting artists that there are people in the community committed to purchasing artwork. This attracts better artists. In addition, the portion of the donation not given back in vouchers provides monetary support for the festival.

**What Festival Patrons receive:** The \$250 (or more) in Vouchers to spend at the festival, an invitation to the artwork unveiling, an invitation to Patron Soirees and the VIP Reception for Artists and Patrons the evening before the Festival; a Purchase Award Ribbon to present to the exhibiting artists whose work you choose to purchase, access to the Patrons Retreat at the Festival, and reserved parking at the Festival.

Most importantly, Patrons enjoy knowing that their support helps to continue the tradition of a great Festival that benefits the entire DeLand community.
